

Project Planning - How will you bring about change?

<p>What are we going to do?</p>	<p>Specific details of the activities – When? Where? What? E.g. “Our project will be based in the local primary school (and local community centre when completed in 2010) and run two-hour sessions after school, three days per week. These sessions will cover music, drama, arts and crafts, literacy and IT work.”</p>
<p>Why are we going to do it?</p>	<p>See ‘Evidence of Need’ Factsheet.</p>
<p>Who is going to do it?</p>	<p>E.g. “We will employ an experienced youth worker and recruit upto 10 parent volunteers.”</p>
<p>Who will benefit</p>	<p>Target numbers and specific users. E.g “75 primary school children aged 8 to 12 will attend.”</p>
<p>How much time will it take?</p>	<p>E.g. “The project will run for 3 years starting in June 2011”</p>
<p>How much will it cost?</p>	<p>See ‘Project Budgeting’ Factsheet</p>
<p>What benefits will we see? (project outcomes)</p>	<p>The outcomes of the project need to relate directly back to the need you have identified. See ‘Monitoring and Evaluation’ Factsheet for more information on Outcomes</p>
<p>Who takes responsibility for making sure that it happens?</p>	<p>How is your organisation managed? Do you have the skills and experience to make this happen?</p>
<p>What risks are involved, and how will we mitigate them?</p>
